

## INSTRUCTIONS FOR THE FLOOR BOARDGAME

There are 36 squares. Some have questions, others don't. All you need to play it is a dice. Once the students throw the dice, they just move along the board according to the number on the dice.

If they answer correctly, they carry on playing. If they don't, the next team has a turn.

Answers:

Square 2: Ireland

Square 4: Portugal, Poland

Square 5: 12 stars

Square 6: France

Square 8: Yes
